The best that I can do for this list - It shows 19 locations - BUT:

 is being visited today - her tenant is listed (1 well, at least 2 homes served)  
Ex. 5 - Personal Privacy 1 well, 2 homes served)  
(1 well, 2 homes served) -

what do you think? Can I send this to Jerry and talk to him about it? It is accurate for what we know now for the surveys.
